the place
to live

City of Darebin run 10 Smalltalk supported playgroups each school term.

Families living in Darebin with children aged between 0 – 4 years who meet the eligibility criteria are welcome to register for this free program.

Smalltalk supported playgroups are led by facilitators trained in evidence-based strategies that assist families with their child's learning and development through everyday activities and play.

The program offers families the chance to learn new ways of supporting healthy development while connecting with other families in the community. Families will also be supported to connect into other services available in Darebin.
